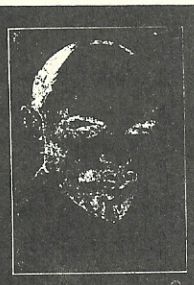
COMMUNISM IS JEWISH PROOF COMMUNISM IS JEWISH



Lenin's Heritage

This month thousands of workers and progressive people throughout the world commemorate the death of the immortal theoretician, inspirer, organizer and fighter for the freedom of humanity, Vladimir Ilyich Lenin.

Lenin led the people of Russia from the dark night of tsarism to the highest stage of democracy. Lenin and his disciple and continuator Stalin guided the Russian people in the building of the great Union of Soviet Socialist Republics. Today all of humanity benefits from the moral and political unity, the courage and heroism, the resourcefulness and fighting ability of the Soviet people who are inflicting such significant blows against the spine of the entire Axis—Hitler's armies.

In the spirit of the Lenin heritage the Soviet Union has been first in many things. The Soviet Union has been the first to puncture the myth of Nazi invincibility, the first to wipe out the Fifth Column and render it ineffective, the first to teach Hitler's mechanized brutes the reality of retreat. The Soviet Union was the first country in which woman was fully emancipated, in which women took their place as equal, unrestricted builders of their land, economy and culture.

The Jewish people will never forget that the Soviet Union was the first country—and as yet the only country in the world—in which anti-Semitism is a crime.

Lenin's heritage is the heritage of complete equal rights for all peoples, of the abolition of national oppression. On this Lenin Memorial it is well to recall and reread the great documents of national freedom proclaimed by Lenin and Stalin with the dawn of the young Soviet Socialist Republics. These documents translated into life under the leadership of Stalin have guided one sixth of the surface of the earth from a prison of nations to the country in which millions of our brother Jews greeted their first dawn of freedom in security and equality.

We publish part of the decree on the uprooting of anti-Semitism, issued by Lenin on Aug. 9, 1918 and part of Joseph Stalin's statement on anti-Semitism to the Jewish Telegraphic Agency on Jan. 12, 1931.

DECREE OF THE COUNCIL OF PEOPLE'S COMMISSARS ON THE UPROOTING OF THE ANTI-SEMITIC MOVEMENT
AUGUST 9, 1918

According to reports received by the Council of People's Commissars, the counter-revolutionaries are carrying on agitation for pogroms in many cities especially in the frontier zone, as a result of which there have been sporadic outrages against the toiling Jewish population.

The absolutist government, when the need arose, turned the hatred of the peoples directed at itself against the Jews, at the same time telling the uneducated masses that all their misery comes from the Jews. The rich Jews, however, knew how to protect themselves; only the Jewish poor always suffered from instigation and violence, only they fell victims of them.

The counter-revolutionaries have now renewed hatred against the Jews, using hunger, exhaustion and also the backwardness of the most retarded masses as well as the remnants of that hatred against the Jews which was planted among the people by absolutism.

In the Russian Socialist Federated Soviet Republic, where the principle of self-determination of the toiling masses of all nations has been proclaimed, there is no room for national oppression.

Any kind of hatred against any nation is inadmissible and shameful.

The Council of People's Commissars declares that the anti-Semitic movement and pogroms against the Jews are fatal to the interests of the workers' and peasants' revolution and calls upon the toiling people of Socialist Russia to fight this evil with all the means at their disposal.

National hostility weakens the ranks of our revolutionaries, disrupts the united front of the toilers without distinctions of nationality and helps only our enemies.

The Council of People's Commissars instructs all Soviet deputies to take uncompromising measures to tear the anti-Semitic movements out by the roots. Pogromists and pogrom-agitators are to be placed outside the law.

Chairman of the Council of People's Commissars, ULYANOV (LENIN);
Secretary of the Council, N. GORBUNOV.

"Anti-Semitism is dangerous for the toilers, for it is a false track which diverts them from the proper road and leads them into the jungle. Hence, Communists, as consistent internationalists, cannot but be irreconcilable and bitter enemies of anti-Semitism. In the U.S.S.R. anti-Semitism is strictly prosecuted as a phenomenon profoundly hostile to the Soviet system. According to the laws of the U.S.S.R. active anti-Semites are punished with death."

To the Jewish People of America

Following is the text of the Call issued to the Jewish people in the United States by the National Council of Jewish Communists shortly after Hitler's criminal invasion of the Soviet Union.—ED.

FELLOW JEWS OF AMERICA!
JEWISH WORKERS, BUSINESS MEN, PROFESSIONALS AND INTELLECTUALS!

THE fate of America, the fate of all the peoples of the world, as well as the fate of the Jewish people is being decided on the battlefields of the Soviet Union, in the struggle of the USSR and Britain against Hitler and Hitlerism.

The Nazi forces have attacked the great and peace-loving Soviet Union, where all peoples, nationalities and races live in harmony and brotherhood and work together in kinship and fraternity; a country in which the harsh pages of Jewish history, recording pogroms and inquisitions and blood and tears, have given way to a new era of complete equality and freedom.

The Nazis have invaded the country in which six million of our brothers and sisters—for the first time in the persecution-ridden history of our people—lead dignified and secure lives.

The entire world is concerned with the outcome of the historic battle against the Nazi hordes. The British people, the four hundred million Chinese people, all the peoples enslaved by Hitler, and our great and freedom-loving American people, realize that should Hitler defeat his bitterest enemy, the Soviet Union, the entire world would be transformed into a Nazi hell.

Hitler in Germany, Skoropadsky in the Ukraine, Petain in France, the Mosleys in England, the Coughlins, Pelleys and Lindberghs in America would organize fascist bands to terrorize the workers and the people in every country and lead the crusade to exterminate the Jews throughout the world.

Through resolutions and public declarations we must approve the stand of our government which has promised aid to the Soviet Union and England and we must demand the most effective and most rapid aid.

Secondly, we must unite with the entire American people in a mighty movement which will wipe out Hitlerism.

Political, religious and other differences must not be allowed to divide our ranks in this crucial hour.

Hundreds of thousands of Jews in the Soviet Union and many of our relatives in the Red Army are giving their lives in the battle against fascism. Jacob Shmuskevitch, chief of the Red Air force, is one of the many Jews in the Soviet Union displaying the fighting courage of our people. The Jews in the Nazi-occupied countries are risking their lives, together with the Polish, Ukrainian, White Russian, Lithuanian and Rumanian workers and peasants in heroic guerilla warfare behind the Nazi lines. In the same spirit we here cannot sit back passively. The danger confronting us is too great. And the hope and promise before us is even greater. Hitler is engaged in battle with the mightiest and most determined foe of fascism—the Soviet Union. The Soviet peoples, the Red Army and the British people, with the aid of America, will dig the grave of Hitlerism.

Our Sacred Task

Every shop, every union, every fraternal, religious, political, social, youth and other organization should raise its voice through resolutions, or in any other form, demanding immediate, effective aid to Britain and the Soviet Union. All Jewish organizations have a common interest to unite in a common anti-Hitler front. This need must be raised immediately in the synagogues, temples, and religious schools, in the *landsmanschaften*, women's organizations, youth organizations and all organizations of the Jewish people.

Wherever we come in contact with Americans of other national groups, in the factories, trade unions and elsewhere, we must unite. We must lock hands with the Irish, Italian, Negro, Ukrainian, Russian, Polish and other American groups in the fight against fascism.

Let every organization and institution arrange meetings to demand aid to defeat Hitlerism.

In this struggle we need the greatest possible unity. Under no circumstances should we permit political differences of opinion to divide us. Every obstacle in the path of unity to defend American and defeat Hitlerism weakens our ranks and plays into the hands of Hitler.

Sisters and Brothers! Fellow Jews of America! The hour has struck! Hitler is engaged in his last battle. The Soviet Union, the Red Army, the British people, in collaboration with the U.S.A., and the peoples of the world will defeat him. Hitler's end is in sight.

Forward to the sacred task of smashing Hitlerism, which will lead humanity out of the hell of wars, bloodshed, hunger, and oppression.

Forward to the struggle for a new, free, happy life for all the peoples of the world—the only guarantee of a free, peaceful, happy life for the Jews.

Forward to the struggle against our enemy—Hitler and Hitlerism.

Forward to unity in our own community and unity with the entire American people and victory will be ours.

Friends, much time has elapsed since the day when we addressed you —across miles and across night— with words of wrath and faith. This is no time of words. It is arms that speak. Moscow's defenders are fighting not only for our capital, not only for a city dear to us. They are fighting for your honor, your lives, your freedom.

Jews of America, look and listen! Hitlerites in Kiev murdered 50,000 Jews—women, aged, and children. Fascists in Odessa killed 25,000 Jews—women, aged, and children. None can get away from this blood. None can escape these groans. Beasts are marching against us. Beasts are marching against you. The curse of orphans will fall on any Jew who faint-heartedly tried to stand aloof. The very stones will split out any Jew who will try to hide, stay away in quiet shelter, buy himself off, his name will be held in contempt.

Listen, the decisive historical hour has come, when the fate of our entire people is being determined. The Nazis' brazen frankness leaves no shadow of doubt that together with other monstrous wholesale massacres and outrages they have set themselves a definite aim of utterly and completely exterminating the Jewish people.

Wherever an anti-fascist front arises and chiefly on the fighting lines in the Soviet Union there is being decided the fate of mankind which is today confronted with the choice between slavery and freedom, tyranny and democracy, medieval obscurantism and intellectual culture. But for the Jewish people this choice is even more drastic, for it is

Ilya Ehrenburg

the choice between life and death. Brothers, do you realize what is happening?

Have you drawn proper lessons from the history of your people? Have they taught you to understand at last that today there is no continent that is not menaced by fascist aggression and that there is no corner where our brothers can find asylum if the fascist plague should spread?

Maybe you would like to brush aside stern and cruel realities by groans and lamentations, by prayer and fasting? But groans of our mothers, lamentations of our children will not touch the hearts of the robbers, assassins. You will not be able to publicly display your wounds and scars—nobody will be moved by them. Before your eyes will loom the burning question: What did you do to wipe the fascist infamy from the face of the earth? What did you do to help the great alliance of freedom-loving peoples? What did you do to strengthen the united anti-fascist front?

The hour has come when groans must give place to the roar of engines carrying death to the assassins. Let your lamentations be embodied in the steel jaws of guns sending death-dealing fire into the enemy's camp.

Jews of the Soviet Union alongside other nations in our country have accepted battle. They are fighting at the front shoulder to shoulder with Russians, Ukrainians, Georgians. Jews have love for their native land. The blood of Maccabeans flows in their veins. None can say any more that Jews are but guests—Jewish blood on the fields near Moscow has still more strongly linked our destiny with Russia's destiny.

Jews of America, the fate of Russia is now the fate of all mankind. It is your fate. Wherever and whoever you are we tell you on behalf of your ancestors and their honor, on behalf of your children and their happiness: You must fight, you are at the front. Your pride must be a summons to join the colors.

Woe to him whom the enemy find unarmed! Neither mountains

nor oceans will save him from disgraceful death. Let a new fighter take the place of each one who has perished. Fight Hitler's Germany with all your strength—this is a holy war. Give your property for it; send arms; march to battle! It is not too late yet!

Jewish Brothers and Sisters in the Soviet Union:

We greet you.

We have heard your call, and we answer.

We are particularly happy to make our responses tonight, when the heroic Red Armies, among whom are hundreds of thousands of Jews, are beating back the enemy—our common enemy.

For the enemy *is* one and the struggle is one. And the cause is one

for all civilized humanity against the Nazi barbarians and their satellites.

We are united not only in mutual feelings of hatred against the despoilers of humanity. Binding us together is a common fight, in which our beloved land, the United States of America, is engaged as an ally of your great country.

If your enemy was also our enemy when you began defending your own land, he is doubly our foe now. If we sympathized with your struggles earlier, our sympathies have become strengthened tenfold.

Every victory of yours is a forward step for us. And every defeat

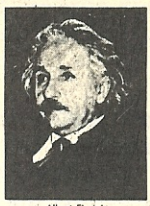
which our country inflicts upon the Axis monsters shall fall in unison with your trip-hammer blows against the same set of aggressors. Together, we shall speed their destruction.

Jewish brothers and sisters of the Soviet Union!

With painful and tortured hearts we have followed the tremendous attacks which the Nazi beasts have directed and are still directing against you. We know the terrible price which you, together with all freedom-loving peoples of the Soviet Union, are paying in the fight against the enemy. Your courage and sacrifices are an inspiration to us, an encouragement and a reminder that in the struggle for the annihilation of the fascist monster no efforts are too great—no sacrifices which our country needs and demands of us are too great.



Albert Einstein

As citizens of the Soviet Union, you are living in a country which has given you the opportunity to live as free men, in equality with the other peoples, with full rights equal to the rights of all other Soviet citizens. You are fighting gloriously because you have something to fight for and to defend.

As citizens of the United States we also feel free and equal, having the same rights as all other citizens, and we are happy to bear our share of the responsibilities at the present time, when the freedom, the independence, the democratic achievements of our own country and of civilized mankind are at stake.

That is why we extend our hand across the ocean and we say to you: Together we will fight and together we will be victorious. With all our forces, with all our material, with all our moral and military resources we will help each other during the war. We will stand together with you in the struggle for a peace which shall once and for all eradicate the possibilities of international banditry, a peace which shall estab-

Dr. Wise Urges Jews to Declare Selves as Such

Warns Against Repeating Error in Reich Where They Were 'Germans;' Reaffirms Plebiscite View

Dr. Stephen S. Wise, president of the American Jewish Congress, speaking last night at a dinner at the Commodore in celebration of the congress' twentieth anniversary, told 1,000 persons thah the Jews in America must declare that they are Jews, and not make the tragic mistake which Jews had made in other lands.

"I am not an American citizen of Jewish faith, I am a Jew," Dr. Wise said. "I am an American. I have been an American for sixty-three-sixty-fourths of my life, but I have been a Jew for 4,000 years."

Any Jew who speaks of "Americans who are Jews" is going back to the cowardice of the German Jews who spoke of themselves as German citizens of Jewish faith, Dr. Wise continued, and the German Jews were woefully and tragically punished for their error.

"Hitler was right in one thing," Dr. Wise said. "He calls the Jewish people a race, and we are a race. I make no apology for being a Jew any more than the President of the United States does for being of Dutch ancestry."

In these actual photostats which we obtained in the Library of Congress in Washington, you can see with your own eyes that the most respected Jewish leader in America, until recently the president of the American Jewish Congress, openly boasts not only that the Jews ARE a race, but he comes "right out with it" and boldly boasts that he is NOT a Jewish American--he is a JEW!

Can you imagine any Christian getting away with a similar statement in America?

Can you imagine, for instance, any leading American Christian saying, "I am not an American of the Luthern faith, I am a German!"?

But the Jews have beaten the Goy herd into such sheep-like stupidity and docility that they do not even notice when America's leading Jew openly exposes the "American of Jewish faith" fraud and boasts that his first loyalty is not to the wonderful America which welcomed and sheltered him, but to a gang of international Jews!

Now let us present a real "scoop"!

Here are photostats, also from the Library of Congress in Washington, from a magazine called "Jewish Voice".

This magazine, unbelievable as it may seem, is published by "THE NATIONAL COUNCIL OF JEWISH COMMUNISTS" !

We are extremely proud of uncovering this damning document which was unearthed by Captain Seth Ryan after weeks of digging through thousands of card indexes and book stacks.

This amazing document gives a ringing answer to the "Kosher conservatives" who preach that there is no connection between communism and Jewry!

We might also point out the great love of these vile Jewish traitors for the Soviet Union. Notice, for instance. their boast that the Soviet army is filled with Jews and the chief of the Red air force is the Jew Communist, Jacob Shmuskevitch.

At the same time, the thoughtful reader should note that the same Jews who now preach "peace" at us until it is downright nauseating even to hear the word any more, were the same Jews who were shrieking and raving to get America into the war to fight anti-communist Hitler. Anybody who was not aware that WW II was the war for the survival of the Jew communists and race mixers against the anti-communists and racist forces of the white man should certainly be able to see the true nature of WW II in these documents. The third great discovery found in the Library of Congress by the American Nazi Party was also printed by the National Council of Jew Communists. On page 16 of their "Jewish Voice" you may read the proof of the fact that there simply is no REAL "anti-Semitism" in the Soviet Union, and that, in the words of Stalin himself, "According to the laws of the USSR, active anti-Semites are punished by death".

The Kosher conservatives make much of the fact that some religious Jews are "persecuted" in Russia, in the attempt to get Americans believing that the Soviet communists are anti-Jewish--and, therefore, that American citizens who are anti-Jewish are probably communists.

The simple truth is that the communists--Jews and non-Jews are ATHEISTS and persecute ALL religions, including religious Jews, Episcopals, Baptists, Catholics, Methodists, Buddhists and every other religion.

It would be most interesting to see a Taylor Caldwell type Kosher conservative squirming and writing trying to "explain" this unimpeachable document proving not only that communism is Jewish but that communists punish genuine anti-Jewishness with DEATH!

A Dog Barks Because He Is A Dog

"The gene determines the quality of the brain; the quality of the brain determines the effect of education." - Charles Smith

A dog barks because he is a dog.

He is not a dog BECAUSE he barks.

He barks, rather than mews or neighs or squeaks simply because he IS a dog, and barking is a part of doggishness.

The fundamental error of intellectuals of BOTH the left and the right today is that they are mistaking barking for fundamental dogishness. If they could teach a cat to bark, somehow, they imagine they would have made a cat of the dog.

The "intellectuals" of the left imagine that they can add the "bark" of a "higher standard of living" to the cats of the "undeveloped countries", and thereby make happy little doggies of them, like the people in the "developed countries".

They completely ignore the fact that the people of the "developed countries" did not have the development grafted on to them by some outside force, but DEVELOPED THEMSELVES, -- just as nobody ever had to teach a dog to bark-- it is just the NATURE of a dog to bark.

The intellectuals of the right--people like Buckley and Burnham, etc., make exactly the same mistake, in a more subtle way.

With an aggressive minority of CATS running wild over a dog country, dominating it until the "dogs" are ashamed to bark anymore for fear of offending the "minority", and the puppies are being literally taught to mew and meow instead of to bark as did their ancestors--the intellectuals of the right refuse to recognize the very existence of the aggressive cats, and pretend that the remedy for the perversion of the NATURES of our "dog"-society, is a fight for a "better standard of living" and an ECONOMIC system called "Capitalism".

When our people are suffering and PERISHING because of the cultural and physical extermination of their RACE and RACIAL qualities by miscegenation with negroes and by the Jewish perversion of the noble qualities of mind and heart BRED into generations of our Nordic ancestors--the "conservatives" not only IGNORE race and our unspeakably precious biological heritage, but preach, along with the Jews and the Communists, that race-knowledge is bigottry and prejudice!

To get back to our cat-dog analogy, while our puppies are being taught to mew, purr and slink around in the dark, the "conservatives" are preaching that the cure is a better system for the distribution of milk and cat-nip!

The "left" says we all get more cat-nip, and therefore a happier life by SHARING the cat-nip publicly--and the "right" says that this

public sharing--Communism--is terrible, because THEY have more cat-nip than most of the rest of the people, and they favor conditions which will not only let them keep it, but let them gather up still more!

WE say that OUR kind of people have no business whatever preoccupying themselves with cat-nip or any other material thing--but must preserve the KIND OF PEOPLE WHO CAN SET UP GOOD "ECONOMIES".

You could take a herd of cannibals, set them up with the most modern and advanced system of "capitalism", computors and even educate them to use these things. And in a few dozen years they would be squatting back in the jungles, slobbering over the meat and bones of their cousins fresh from the stew pot. Haiti is irrefutable proof of THAT.

On the other hand, you can take a tiny band of OUR kind of people, set them on a barren, freezing, glacier-clad island in the middle of the North Atlantic and Arctic Oceans--in Iceland--and in a few hundred years they will produce a noble and just CULTURE--such as Iceland now has--WITHOUT ANY HELP FROM ANYBODY BUT THEMSELVES!

Haiti started with all the advantages of modern civilization--sewer systems, communications, etc.--left them by the French whom they drove out or murdered. Haiti has had all kinds of aid and finally even leadership by the USA. But Haiti is a DISGRACE--a MESS, today! Even the liberal pinkos sent down there to "help" come back in disgust.

Iceland, on the other hand, was ISOLATED and ALONE for centuries after the rude Vikings landed on that frigid, storm-swept and treeless wasteland. But, in those centuries, our Nordic-type brothers produced the HIGHEST literacy and cultural level--per person--in the world, which exists NOW in Iceland.

No matter WHAT "economy" you adopted or imposed on Iceland, you would have a CULTURE and a "developed" country. And no matter WHAT "economy" you adopted or imposed upon Haiti, you will always have a savage MESS--because the PEOPLE just don't have any real culture INSIDE of them.

It is once again the case of the dog barking because he is a dog, not the reverse.

Most "conservatives" honestly fail to see this fundamental truth about human beings, and sincerely imagine that the troubles in the USA are caused by "tampering" with our economy and our government--when the truth is that the tampering is being done to our PEOPLE themselves, and that we have been FLOODED with ALIEN, non-cultural and even ANTI-cultural people by the millions and millions. And these alien-natured people have actually CHANGED THE NOBLE AND CULTURAL DRIVES OF OUR YOUNG PEOPLE UNTIL OUR YOUTH TODAY HAS, AS IT'S HIGHEST MODEL, A BRUTALLY UGLY NEGRO JEW MARRIED TO A PRETTY WHITE GIRL!

Our people have been taught that they are "backwards" and uncultured unless they can see "beauty" in the atrociously painted, Marxist travesties of a "face" in the chopped-up horrors of Piccasso, which look like the results of a nightmarish automobile wreck. Their music is the disgusting, orgiastic, crazy, mixed-up noise of jungle cannibals, modified to be a perversion of even this horror by musical Jews into "progressive jazz". For "literature" our youth are flooded with the rawest kind of black-and-white sex-filth, and now even pictures of men in bed together, as shown in a recent ROCKWELL REPORT!

Yet the "conservatives" get angry when reminded of this--and even angrier when remined that it is almost ONE HUNDRED PERCENT JEWS who are the promoters and inventors of this cultural perversion of our RACE and our NATURAL CHARACTERISTICS. Picasso is a communist JEW, who did the "peace dove" for Moscow. Gertrude Stein, the "rose-is-a-rose-is-a-rose" "poetress" is another red Jewess. Benny Goodman and his "jazz" ilk are more Jews, and so are the purveyors of most of the filthy, rotten literature for sale on our newsstands to KIDS!

In the face of ALL THIS, the "conservatives" are acting like madmen when they insist on following the Jews and their "liberal" toadies onto the ground of ECONOMICS to discuss what's wrong with America!

But watch them! Everytime a gang of "conservatives" get together, especially when they are led by a fine, "right-wing" Jew like Goldwater, they will endlessly discuss "freedom", "free enterprise", "capitalism", "collectivism", etc., etc., etc. If you try to mention RACE, you will probably be thrown out, and will get at the very least some VERY dirty looks.

Yet it is the WHITE RACE--especially the NORDICS--who have created the marvels that all the world now wants to share. It is NOT the "capitalist" system, or even "free-enterprise". Our kind of people are just naturally CREATORS--and will manage to create even under the worst kind of economy--as the Soviet captured German scientists are proving with Russia's rockets and scientific advances.

The "slobs" of the world will NEVER create, no matter WHAT kind of economy you give them or impose upon them, and no matter WHAT kind of "help" you give them.

It is NOT "debt", it is NOT "collectivism", it is NOT "socialism", it is NOT "spending", it is NOT taxing and it is NOT inflation or deflation which has our Western Christian civilization tottering--it is utter disregard for the PEOPLE who built this wonderful civilization.

We can survive all these "isms"--SO LONG AS OUR LITTLE BABIES ARE STILL BORN WITH THE NOBLE NATURES AND THE ABILITY TO CREATE PASSED ON TO THEM BY THEIR ANCESTORS.

But if we allow the "intellectuals" of either the left or the right to manoeuver us over onto the ground of economy alone, so that we forget WHY we are what we are, and imagine that we are the product of some kind of economic system instead of the product of GENES and CHROMOSOMES and noble traditions of honor and valor--we are indeed LICKED.

The amazing, brilliant mind of Mr. Buckley did not come from his opportunity to grow up in a situation where he could invest his money and make a profit. Mr. Buckley would be brilliant if he had been born in Russia or even the Congo, even if he had not been able to do anything with his brilliance. The flashing genius of Buckley is a GIFT from the unknowable CREATOR to the RACE of which Mr. Buckley is a tiny party. That race has produced the Beethovens, the Bachs, the Shakspeares, the Schopenhauers, the Nelsons, the Washingtons--and Adolf Hitler! It will continue to produce genius and CIVILIZATION just so long as the blessed chromosomes and genes are permitted to exist.

And they can't exist much longer if they are derided by BOTH the left AND the right.

Our ancestors gave us something far more precious than even the traditions, way-of-life and culture of the West. They gave us the super-refined, culled and selected GENES AND CHROMOSOMES produced in a thousand centuries of natural selection and struggle. They can wipe out our economy, our form of government and all our freedoms--yet, as history has shown a hundred times, OUR KIND of people will sooner or later RISE and throw off the tyrants of bad government or economy.

But if we continue only a few more years of THROWING AWAY OUR PRECIOUS NORDIC and ARYAN HEREDITY, we will be as incapable of ever rising again or ever producing a civilization again as the miserable creatures of Haiti.

It is the work and the battle of the American Nazi Party and the World Union of Free Enterprise National Socialists to prevent that FINAL catastrophe to world civilization. And we will succeed.

Will You Pay for Soblen's Flight?

News has leaked out that the gang of Jews who posted bail for the convicted Jewish communist spy Soblen and allowed him to high tail it to his native Israel, might be allowed to write-off their cash loss on income tax deductions as an "ordinary business loss".

This means, in effect, that U.S. taxpayers would foot the bill for the Jew spy's Tel Aviv flight, which bill, of course, would be duly collected by Mortimer Kaplin and his tax hounds at Internal Revenue.

To Jew-wise Americans, this is not as surprising as it is downright disgusting. It isn't the first time Jewish communist filth have spit upon our Constitution and laws. Jewish communist Gerhardt Eisler pulled a similar stunt to avoid punishment and is today spewing out his Jewish communist vomit over Red East German radio waves. The Jewess spy, Judith Coplon, is today living free and un-punished in the Ashland Heights section of Brooklyn.

We only wonder why a special collection wasn't taken up to pay for Soblen's plane fare and award him a subscription to The Worker while he's "abroad".

This sort of Jewish communist vitiation of our Constitution and laws will continue until White Christian Americans get up out of their reading rooms and out into the streets to win power and take back our White Christian Republic.

What America needs is not simply more anti-communist legislation or "less government", but for the presence in POWER of real White Americans determined to enforce our existing laws and the Constitution as intended by our forefathers--and to try and execute all those proven to be traitors!

This the American Nazi Party alone is fighting to achieve.
